*A beautiful area to explore by car, we travel to the southern Ardennes in Belgium. Taking the Dover Calais ferry, we drive south to Arras and then eastwards on country roads towards Cambrai, Hirso, Charleville and on to Sedan, where we are based for two nights. (Calais – Sedan, about 200 miles)*

*Following the itinerary, the tour will take us to the mountain roads of the Forest des Ardennes, following a spectacular route. We travel north along the river Meuse to Givet, where the scenery is breathtaking and the twisting roads through the mountains make an excellent route for classic car driving.*

*Our hotel in Sedan is the fabulous 3\* Hotellerie Le Château Fort – a medieval castle, no less! The hotel overlooks the town of Sedan, on the banks of the River Meuse, in the heart of the Ardennes.*

*An inclusive group meal on the first evening in the hotel restaurant will give us all the opportunity to meet each other.*
