The Charity Motor Challenge

Laon, France

HOTEL FERRY INCLUSIVE

£199 per person

Price based on two persons per car sharing

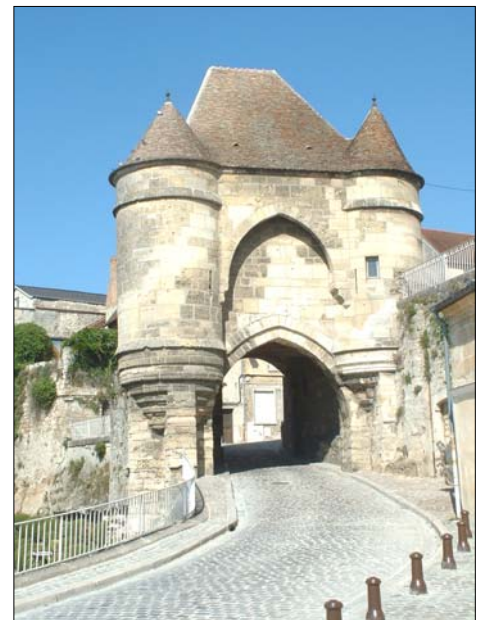

The Charity Motor Challenge is a technical drive for beginners on country lanes, using a tulip route book. On Saturday we drive the scenic route to Laon, via a refreshment stop in the ancient market square of Arras. The Sunday route consists of three 35 mile loops, starting and finishing in the centre of Laon.

Your tulip route book will take you on a tour through the countryside. Code boards will be positioned along the routes, which you record on your control sheet, together with the time at which you pass each board. The idea is to maintain a given average speed (no more than 30mph) – then we'll work out how well you did at the end.

Any car can be entered, no special equipment is necessary and no special licence is required. However, you are encouraged to carry your Donor Card.

The price includes the entry fee, Dover-Calais ferry, two nights b/b in a modern hotel, private parking, and a group dinner on the Sunday evening.

Monday is a free day - maybe stop off for lunch or visit the supermarkets in Calais before the return ferry.

To enter, call Continental Car Tours on 01304 380244 with debit card details, or email admin@continentalcartours.co.uk for an entry form and regulations.
