*Enjoy the sights and sounds of some amazing cars from the golden age of motor racing, as the Drivers tackle the twists and turns of this famous street circuit, which still uses the same roads as the very first race on 14<sup>th</sup> April 1929. The scream of super-tuned Grand Prix engines, from between the 1930s and 1980s, echoing the natural amphitheatre that is Monaco Bay, the intoxicating smell of scorched rubber and fuel lingering through the warm evenings, rub shoulders with the rich and famous in Casino Square with its endless display of supercars. Treat yourself or someone special to a truly unique event and take away some wonderful memories.*
