A superb collection of cars, ranged throughout the years, offers the chance to see the likes of the Bugatti racing car, C-type Jaguars, racing Ford Capris to modern Porsches in action.

The original Grandstands and garages of the famous circuit, last used in the 60's, have become a well known landmark in Geuex, a village located on the outskirts of Reims. Several public roads are closed in order for the original circuit to be re-instated, and spectators have a fabulous view of some classic races throughout the weekend.

We have reserved a three star hotel for two or three nights in the centre of Reims. The event is a short drive from the hotel.

This is a spectator event. Admission and access to the Owners' Club paddock is included.
